

Czechvar Premium Lager

Introduced:	Brewery founded in 1895 and (Imported to the United States by Anheuser-Busch since January 2007)
Beer Category/Style:	Import – Premium European lager.
Taste Profile:	A delicious, slightly sweet taste, with pleasant hop aroma and fine bitterness traditionally crafted in the Czech Republic.
Ingredients/Brewing:	A 90-day lagering period using only top-quality Czech ingredients, including Saaz hops, Moravian malt and soft Artesian well water. Czechvar features a thick head, distinctly golden color and full aroma. Brewed at the BBNP brewery in Ceske Budejovice, Czech Republic, for export to the United States by Anheuser-Busch.
Interesting Facts:	Soft Artesian well water, which has waited almost 10,000 years to be freed from 300-meter deep wells, lends the beer its unmistakable delicious taste.
